Important Notes regarding the trading restrictions on the above securities:-

In addition to the list above, other penny and illiquid counters may be subject to a counter limit of \$\$15K from time to time.

Besides trading restrictions imposed on individual counters, all US SIP counters (marked as "@" on the trading platform) are collectively subject to a counter group limit of \$\$30K.

From time to time, Lim & Tan Securities may restrict trading in certain counters without attributing any reason for such action. This should not be construed as Lim & Tan taking any view on such counters, adverse or otherwise. The above list is subject to change at the discretion of the management without prior notice.
